

# ENIGMA 2000 Newsletter Master Index

## Issues: 101 – 127 July 2017 to November 2021

Due to the mammoth task of indexing all contents of the newsletters, only important station changes, feature articles & such are included in this short form index.

All newsletters contain numerous items from the news, comment & extensive logs from the previous two months activity along with current frequency schedules & prediction charts. These are not included in this index & readers should refer to individual issues for these details.

### Issue 101 – July 2017

Cover Picture – Are you a spy tech nerd who can climb poles. (US Embassy Thailand)	P1
RIVET Decoder Update – Greatly improved F06 (FSK 200/1000) & XPA2 decoding	P2
S25 – Reports of activity from S25 on 24 May & 01 June from Danix & Token	P2
M08a – Continues to appear, but only occasionally over the past two months	P4
M912b – More activity on 10250 kHz from this M12 variant	P6
Marker Beacon – 'D' beacon, (or is it 'B?'), appears on 3204.9 kHz	P11
HM01 - More Spanish voice broadcast stations & Windows XP dings heard	P38
From Cover Picture – Job advertisement. Picture of roof US Embassy Thailand	P45

### Issue 102 – September 2017

Cover Picture – US Embassy Phnom Penh, Cambodia & its antennae	P1
M01a – Large number of logs presented in full for detailed examination	P3
M89 – Unusual traffic. Five-figure & four-letter group messages logged	P14
FXM sends a message. This call usually only sends continuous Round Slip	P14
S06s – ID 438 sending nulls. Continued daily, ceased, & then returned to schedule	P37
V07 – Move to new frequencies, (near those previously used). Change to new voice	P41
HM01 – Two identical HM01 transmissions mixing on all schedules. Sat 08 July	P48
HM02 – Back on 25 July using high-speed FSK Morse. (Last heard on 09 June 2017)	P48
F06a – Detail of formats, file type & file content of this rare F06 variant	P53

### Issue 103 – November 2017

Kanchanaburi War Cemetery, 1939 – 1946	P1
Book Reviews – The Spies at Gilnahirk – George Busby	P2
Survivor on the River Kwai: The Burma Railway – Reg Twigg	P2
Unidentified Morse station – Using call 'T3B'. Believed North Korean (Not M89)	P3
M89 – Chinese coast station XSG. Seems to conform, but also sends four-figure code!	P12
E25 – No activity since late August. But possible tests noted on 6140 kHz	P31
The Berlin Wall, My Part in its Fall! Part 1 by HGH. Cold War times recounted	P52
Mystery of sonic weapon attacks at US Embassy in Cuba deepens. News article	P54
US orders 15 Cuban diplomats to leave Washington Embassy over sonic 'attacks'	P57
Damning evidence Cuba launched sci-fi sonic weapon at America. News article	P60

### **Issue 104 – January 2018**

Cover Picture – Expanded Communications Satellite Surveillance. Multi-beam antennas	P1
Book Reviews – The Birth of British Radar: The Memoirs of Arnold 'Skip' Wilkins OBE	P2
Burma Railway Medicine – Geoff Gill & Meg Parkes	P2
Noise & other problems. Reducing local electrical noise. Phase noise circuit & pictures	P3
Polytones Tone value duration changes in null transmissions. Full detail & analysis	P4
Number Station News & other signals, including mystery beacon JO62SK	P5
M01 – Variations in message format appearing in recent transmissions	P6
M01a – More insight into this station as serial numbers discovered on longer messages	P7
IDs appear to be frequency specific. Identifying training transmissions	P9
M08a – Transmissions return & are present on most scheduled slots from 06 November	P15
M95 – Following the analysis of traffic from 3A7D this call is now assigned as M95	P23
Marker Beacon – Irregular 'V' beacon reported active in late December 2017	P25
S06 – Frequencies moving lower in November & December 2017 as winter deepens	P40
V02a –Returns 30 November. Not heard since February 09 2017. (See also M08a)	P45
HM01 –Remarkably consistent & Continuing on same schedules & frequencies	P53
The Berlin Wall, My Part in its Fall! Part 2 by HGH. Cold War times recounted	P59
Death of Christine Keeler at 75. Several news stories & comments follow	P61

### **Issue 105 – March 2018**

Cover Picture – New US Embassy located at Battersea, London	P1
Editorial – Picture of WWII intercept room. Marconi CR100 receivers in use	P2
Book Review – Between Silk & Suicide: A Code Maker's War 1941-45 by Leo Marks	P2
The life that I have... Poem by Leo Marks used by Violette Szabo to encrypt messages	P2
M01 – A particularly chaotic sending of messages on both 1800z & 2000z schedule	P5
M01a – Observations & notes. Part 1 by Ed Smith. More revelations on this operation	P6
Observations & notes. Part 2 by Ed Smith. More revelations on this operation	P15
M01b – A number of M01b schedules suffer from STANAG QRM. Is this coincidence?	P21
M08a – Problems appearing with transmissions. Messages starting 3 minutes early!	P21
Oddities – A number of logs from PoSW of both two-tone & single tone transmissions	P33
The Berlin Wall, My Part in its Fall! Part 3 by HGH. Cold War times recounted	P66
Radio equipment used by the Krogers at 45 Cranley Drive. (Photographs)	P69
US Embassy Nicosia. Photograph from Eye Spy Magazine with reference to antennae	P73

### **Issue 106 – May 2018**

Cover Picture – Plaque on Public Convenience, New Alresford. (Portland Spy Ring)	P1
Number station news. Short editorial on the Portland Spy Ring, (Cover story)	P2
Book Reviews – Operation Portland: The Autobiography of a Spy - Harry Houghton	P3
